committee shall revise its licensing or certification requirements to the extent necessary to explicitly list the crimes that ~~will~~ **may** disqualify an individual from receiving a license or certificate under this title. The board, commission, or committee may not:

- (1) use nonspecific terms, such as moral turpitude or good character, as a licensing or certification requirement; or
- (2) consider an arrest that does not result in a conviction.

(e) A board's, commission's, or committee's use of an individual's conviction of a crime as a ~~disqualifying criminal~~ **conviction of concern** is limited to a crime ~~that is specifically~~ and directly related to the duties and responsibilities of the occupation or profession for which the individual is applying for or holds a license or certification.

~~(f) If an applicant has a disqualifying criminal history, the board, commission, or committee shall consider the following in determining whether to deny a license to the applicant, based on a clear and convincing showing:~~

- ~~(1) The nature and seriousness of the crime for which the individual was convicted;~~
- ~~(2) The passage of time since the commission of the crime;~~
- ~~(3) The relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the occupation;~~
- ~~(4) Evidence of rehabilitation or treatment undertaken by the individual that might mitigate against a direct relation to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the occupation.~~

~~(g) (f) If an individual has a disqualifying criminal conviction,~~ **conviction of concern**, the period of disqualification may not exceed five (5) years after the date of the conviction, unless the individual:

- (1) was convicted of a crime of violence (as defined by IC 35-50-1-2(a));

~~(h) (g) An individual having a misdemeanor or felony criminal conviction of concern~~ **may at any time petition a board, commission, or committee requiring a license or certificate for a determination as to whether the individual's misdemeanor or felony criminal conviction of concern will disqualify the individual from receiving the license or certification. An individual filing a petition under this subsection must submit: shall submit the following:**

(1) the individual's criminal history information or an authorization for the board, commission, or committee to obtain the individual's criminal history information; and **At no expense to the state, a national criminal background check by the Federal Bureau of Investigation.**

(1) The nature and seriousness of the crime for which the individual was convicted.

(2) The passage of time since the commission of the crime.

(3) The relationship of the crime to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the occupation.

(4) Evidence of rehabilitation or treatment undertaken by the individual that might mitigate against a direct relation to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the occupation.

(i) If a board, commission, or committee ~~denies~~ determines an individual's conviction of concern disqualifies the individual from receiving a license or certification solely or in part because of the applicant's individual's criminal history, the board, commission, or committee shall notify the individual in writing of the following:

(1) The grounds and reasons for the denial or disqualification.

(2) The applicant individual has the right to a hearing to challenge the licensing authority's decision.

(3) The earliest date the applicant individual may reapply for a license or certification or the earliest date the individual can petition the board, commission, or committee for a review.

(5) Findings for each of the factors specified in subdivisions (1) through (4).

Any written determination by the board, commission, or committee that an individual's criminal history is specifically listed as a disqualifying conviction and is directly related to the duties and responsibilities for the licensed occupation must be documented in written findings for

each of the factors specified in subdivisions (1) through (4) by clear and convincing evidence sufficient for review by a court. In an administrative hearing or civil action reviewing the denial of a license, a board, commission, or committee has the burden of proof on the question of whether the individual's criminal history directly relates to the occupation for which the license is sought. **Any written determination that an individual's criminal history contains a conviction of concern that merits the denial of a license must be documented in written findings under subdivision (1) by clear and convincing evidence sufficient for review by a court. (j) The board, commission, or committee shall inform the individual of its determination concerning the individual's petition not later than ~~thirty (30)~~ **sixty (60)** days after the petition, criminal history information, and any other information requested under subsection ~~(h)~~ **(g)** is received by the board, commission, or committee.
